MONDRIAN 50 SLABS
RANGE DANVILLE BEIGE

Mondrian® 50 Slabs

Mondrian® Capping Module

A very trendy slab, for the striking effect of cut stone, the Mondrian 50 slab is used to create majestic walkways, terraces and patios. Its rich texture, irregular edges and chiseled finish were all inspired by solid materials such as limestone and slate. A thin capping module that is ideal for freshening up and tying your spaces together. It can be used to cover up damaged concrete steps, complement Lafitt Tandem, Celtik or Lafayette walls.
